

Cheri L. Bytheway

November 9, 1961 ~ November 17, 2024

Cheri was the first friend I made after moving to Utah in 2000. She got me my job at Primary Children's Hospital. We went to many lunches on our days off. She helped me find some family info. She was a great friend and I will miss her forever.

I worked with Cheri at Primary Children's. She was always so kind and positive. We shared a birthday and every year after I retired she sent me a happy birthday message - including this year. We exchanged a few messages and I was always glad to hear from her. I am thinking of her family and sending my sympathy and prayers. Cheri was a wonderful person who made a difference to many . She will be missed. God bless her. And her family. May her memory always be a blessing.

Cherie, thank you so much for getting to know me. A special thanks for picking me up at the airport and the train station as recently as a couple of months ago. Was also a special treat for me when you traveled to Tooele to watch my daughter and I skydive. You and your husband helped me buy my condo too. You helped me so much with my travels.especially my trip to Maine.as I've told you before you were like a sister to me. When it's my turn at the vail look for me cause I'll be looking for you for sure. Thanks again sister. And till we meet again. That we will.
