He was the best. Loved him.

- Elder Karl Schmidt

I am saddened by the news of President Doxey's passing… I pray for all of his family who I'm sure will miss him most until they are reunited. President Doxey and his beautiful wife had a lasting impact on me during my 2 years serving a mission in South Carolina. Many of the blessings I now enjoy stem from their mentorship.

Thank you President Doxey for being the world's best mission president! All of my love from Greenville South Carolina. Eric Fluckiger

Sister Doxey. My heart aches for you right now. I hope you are receiving the comfort our Savior has promised us. I read 2 Nep chapter 2 a few days ago, where I'm reminded it's in feeling sorrow that we are able to comprehend true joy. You and President Doxey have been a source of that joy for so many. The two of you set such wonderful examples of how to be true disciples of Christ, and I've tried to adopt so many of your habits and mannerisms - particularly in how you interacted with one another. THANK YOU for shaping my life, for giving me a desire to repent and the opportunity to serve in ways I never thought possible. You helped me see the worth of souls, including my own. And I love you both so dearly. I must apologize for missing President Doxey's service. My family and I are headed overseas May 15-June 1. A little farewell for my oldest daughter before she leaves for her mission

in Fort Worth, Texas. Please know my heart is with you. “Elder” Mike Stokes

It was a pleasure to serve under President Doxey for most of my mission. Thoughts and prayers to sister Doxey.

I first met President Doxey in the kitchen of the Mission Home... Elder McCarroll and I had the honor of taking President Doxey out tonreach a discussion on his first night in South Carolina... I've loved the guy every day since! It is hard to describe my feelings for President and Sister Doxey in just a few words, but I'll just say they have blessed my life and the lives of my wife and our sons to the highest degree. I'm grateful for our Savior and His Atonement which gives me confidence that I will see President Doxey again. My sincere love to Sister Doxey and all the family. Thank you and look forward to being with you next week. ■■

Oh how we love Uncle Roger! He taught us by his example how to love as the Savior does. We look forward to the eternities with him! Our hearts are heavy for Aunt Jewel! They are the perfect, beloved couple!

Thank you President and Sister Doxey for being a light to all the missionaries that had the opportunity to serve under your leadership. Grateful for your example of love for the Lord and his gospel. I pray for peace for your family and friends.

I met Roger and Julie Doxey in Yerevan, Armenia, in 1991 during a very difficult winter under blockade. We lived without heat for weeks, and I was deeply touched by their sacrifices, faith, and the way they lived the gospel by example. Because of them, I wanted to learn more about their faith, and that same year I was baptized. For the past 35 years, Roger and Julie have stood beside me and my family through both hard times and joyful times. Their love, support, and example blessed our lives in countless ways. I love Roger and Julie very much and will always be grateful for them.
