March 22, 1948 ~ June 17, 2025

Shannon , Shawn, Scott & Melanie, you are all in my thoughts and prayers at this difficult and sad time. May our Heavenly Father comfort you all with peace and understanding. Roland was the salt of this earth and left a beautiful legacy behind. You couldn’t find a more pleasant kind, caring human being than him. May he rest in peace . Families are forever

Uncle Roland. Brief encounters as a child, and infrequent connections throughout the remainder. I enjoyed your obituary. A great man with a legacy. Godspeed.
