- Ron and María Stearns

Ron was one of the kindest people I have met in the business world. I met him in 2015 at Kennecott and kept in contact with him through the years. Working with BD in business world can be tough--every one has their struggles in life. Ron was always and forever kind and would listen, direct, and help in any way he could. I am so thankful that I knew him. Ron is just the kind of person that makes you want to be your best self. A person's impact on another's life just doesn't get better than that!
