"A good teacher is like a candle – it consumes itself to light the way for others." – Mustafa Kemal Ataturk. May you find comfort in the memories of Rosanna and the lives she touched in her life time. My deepest sympathies go out to the family. Rosanne was a great colleague and friend. She always had lots of patience and love for her students.

Rosanne taught with passion and love. Her love of reading to her students was legendary and everything she did in her classroom was thoughtfully done. In my faith we say,”May her memory be for a blessing”.■

I was so impressed with all of Rosanne‘s accomplishments in reading her obituary. You Really did justice to her in showing how She rose to the occasion in many different walks of life and made life better for other people. She will

be missed. I will miss her hearty laugh and bright Eyes which shone through Her happy face.
