So sad to learn of Roxy’s passing, we remember her with fond emotions of a special lady, fun, faithful, with a strong zest for life. She will be greatly missed!! Whilst living in Salt Lake City and living in the same complex we enjoyed her company on many occasions. We think of her often, and send our condolences to her family and friends. Sincerely John and Angie Carmichael now at home in England.

I’m so sorry to hear of the passing of Aunt Rosie. When I was growing up, I always liked to visit with her and Jim when they would come to Venice. She was such a sweet, friendly lady with lots of energy. Please accept my family’s most sincere condolences for your loss. Sending lots of love.

We all, in the Hatch family, love dear Rosie and are grateful for the incredible friendship she had with our parents, Orrin and Elaine. When I visited my parents, I would almost always see dear Rosie. Rosie was bright, articulate, and a lot of fun! She fiercely loved her family (and still does). Much love to all the Breinholt family.

I was privileged to share many wonderful times with Rosie over the years through Preservation Utah. She was a cherished friend...always full of life and oh so "fashionable". She was a bright ray of sunshine and a great conversationalist ... Knew something about everything. I enjoyed every minute in her company. She was blessed to live a long, full life and she made the most of it. I will miss her very much. My sincere condolences to her family. She spoke of you often with great pride and love.

Rosie was my dear friend at Zion Summit and in Preservation Utah. She and I are both “only” children, so we often discussed that fact that we are NOT spoiled! Rosie knew all the best restaurants, and I wish I could tell her that our favorite Chinese buffet has reopened. I miss her every day.
