We have known Leora for 36 years. I served with her in the Relief Society and she was always there to lend a hand. She gave me rides to take my sick children to the Dr and anything else I needed. She was a joy and knew how to love life. She will be greatly missed.

Mom. I love you. Thanks for everything you have taught me. I will miss you. Your wit. Your love for your neighbors. Your love for your God and family. How happy you must be to be with your husband (dad) once again! Much love respect and admiration. Your youngest daughter Lisa. I love you!

- Lisa Arnold

Thank you for filling in as my mom. I will always cherish our trips to St George and Las Vegas. Already miss riding Frontrunner, sharing animal cookies, lunch at Subway, and dinner at Sizzler. It gives me comfort that you are reunited with your husband and kids. You are my Angel!

Grandma. I don't know what to write. I am going to miss you but I am so happy you're with Grandpa again. I will always remember how loving you were to anyone that crossed your path. You were an Angel to everyone and for everyone. You have led a long life and had so many beautiful experiences; and I am so happy that I was able to share so many of them with you. Love, Jess

Leora was my "Utah mom". We connected when she was on a mission in Mariposa, Ca. I loved her dearly, and will miss her voice on the phone! Condolences to the family.
