I feel blessed that I was able to see my Uncle Russ in October. He was always so kind to me and I have very fond memories of him. He will be missed. Condolences to the family. Prayers to all of you as you go through this difficult time.

I'm sure going to miss you Russell. I'll always remember the time we spent together fishing and hunting. Rest In Peace. Love you brother.

I will always have fond memories of my handsome Uncle Russ, his good humor, quick wit and laugh. I remember when we were trying to make a 5:30 am flight, on our way to Florida and a Caribbean Cruise, and he got sprayed by a skunk right outside the door. We drove all the way to the airport with the windows down. We made our flight, but all our luggage smelled like a skunk when we got there!

Lavon and family, You are in our thoughts at this very difficult time. We pray you might find comfort in the memories of the life you have shared with Russ. We also hope you might find peace knowing he has gone home and is now free of all pain, illness and sadness. He would hope your hearts might be light and he will be anxiously waiting for the day you will be together again. Our love and prayers to you all!!

To the Hansen Family, Out hearts are so sad of the loss of Russ. All of our thoughts are with you at the time of your sorrow. Tony and I will not be able to attend the service, we have planned to come and pay our respects to Russ later in the week. Our hearts are with you. The Christensen and Fannin Family
