

Ruth Swenson Johnson

May 11, 1924 ~ March 19, 2021

I am so sorry to hear of Ruth's passing. She became a dear friend when we both worked for St Marks at the building just off 2-15. We walked together every day and she spoke of her travels, of wanting to be a piot, about dancing with the POW's during the war and how handsome and friendly the Italians were. She talked about her quilts and how much she loved working on them.. She was my friend and I feel bad that I did not keep up with what she was doing. I moved to Midway and they closed the St Marks office. I will forever remember by friend, Ruth.

To the family of Ruth Johnson, Ruth was a very special person to me growing up. She was so kind. She guided me through the church and took me under her wing. I will always be grateful. God bless your family. Friends always ■. Kathy

Dear Johnson family, I was saddened to hear of the passing of your sweet mother. The obituary was so beautiful and truly told the story of this amazing woman. I have so many treasured memories of spending time with your family. We grew up in the best neighborhood a child could have ever wished for. I can only imagine the wonderful reunion taking place on the other side of the veil. May the Lord bless you with peace and comfort in the days ahead! Love always, Janice Watson Howard

We remember Ruth Johnson fondly. We send our love and thoughts to you and your family. Ruth was a wonderful mother, great neighbor, and a delightful person. We remember how much she loved and served her family. We enjoyed her as a neighbor and friend; and we remember carefree, fun days in the old neighborhood. What a blessing to live such a long, beautiful life and the be able to joyfully return to our loving Heavenly Father. Her legacy for us is a loving, friendly person who was always happy to serve others.
