

Ruth Ursula Dietz

July 18, 1921 ~ March 1, 2022

I only knew Ruth for about 9 months when she moved in two doors down from me. I loved her before I even met her! She became my dear friend and I loved the time we spent together playing Rummikub, (which she beat me at most of the time) and visiting about her life and family. She was so proud of her children and grandchildren. Family was everything to her. I will miss her terribly, but I know she is so happy now. I love you Ruth

What a delightful human being! I went back to church just so I could see her. Ruth was Real: honest, courageous, sincere, audacious, funny; a true classic. She was so very easy to Love. The proof is in her children.

I grew up going to the German Speaking Ward. She always had a ready smile and Kind ward. What a great Family! She will be missed.

Love you Tante Ruth. I will miss visiting with you, we had some good talks through the years. You taught us how to dance, play games and go for walks. I am sure that you are in Heaven playing Mensch Aergert dich nicht. Enjoy being with your parents, brother and sister again. And the husband you are sealed to and only had a month with him before he passed away. Love you, Elke

Pieter and Brigit, we are so sorry to hear of your mother’s passing. She was such a wonderful friend to Anna, I think Anna must have come for her, so they could play their games in heaven together. Prayers for your comfort at this time.
