

Christine Davey Nielsen

June 22, 1959 ~ January 12, 2026

My deepest condolences to Carolyn, her sister and to Chris's husband & family. Chris was a huge part of the Wilde Family. As a deciple of Christ, and a daughter of a living Father in Heaven May you be at peace in the loving arms of our Heavenly Father and your parents. May those here in mortality be comforted by the love of God & our Savior Jesus Christ.

I'm still processing the fact that Christine is not here to paint with us in Nauvoo. She really was the one to look to for directions and as Elder Duncan put it, she was the rudder to our ship. I had the thought yesterday that she could be visiting with Joseph and Emma Smith and other people who lived here in Nauvoo and all the prophets who are on the other side of the veil! Then I was a bit jealous! But I'll wait until it's my turn and I look forward to greeting Chris again and really get to know her better. I pray that you can see some of the miracles that have been revealed in all of this. We can all be grateful for the knowledge we have of the eternities. Love, Sister Beverly Peterson

I'm so sorry, Steve. What an unexpected tragedy. Just a week ago I told my kids about her. Chris was very special friend, although we didn't see much of each other lately. Somehow, even in high school, I felt like she was my best friend. Just last week I told my kids about her and your mission. I'll be praying for you, Steve. Chris loved you so very much; you were her knight in shining armor. And I was so happy when you two found each other. Thank you for making her so happy.

Certainly will miss Chris! My heart is with you Steve & Carolyn! Love you both!

What a shock! I faithfully received Christmas cards from Chris every year and was excited for her to be on a mission this time. Chris was a favorite (along with Carolyn!) baby sitter and neighbor until we moved. You were too young, Chris!

- Linda Richins

Our deepest condolences to Steve and the family. We are still processing how quickly the Lord called Chris to another mission on the other side. We will miss chatting with her "over the fence" when we are visiting the Hundleys next door. We are forever grateful to both of you for being the kindest, best neighbors we could ask for to live next door to our children and grandchildren. Hugs to you all.

Dear Steve, Carolyn, & Children, SOOO sorry to learn of the early passing of wonderful Chris! I worked with her many years at BYU in Continuing Education and, of course, she was a favorite. I'm sure you will sorely miss her, but so grateful for the gospel and our knowledge that we can see her again. I send our condolences and prayers for your comfort and peace at this time. Dear Carolyn, The other day I was looking at my Father's Obituary (which as just below Chris's) and saw Chris's picture and was so shocked. We had just received their Christmas card in Dec. which she said they were on a mission. I am so sorry for your loss. You both were so close. So, hard for you to lose your sister. I am thinking and praying for peace and comfort for you. I will try and watch her services on zoom. I wish that I could call you but don't have your number. It's been many years but I have such fond memories of those years that I associated with you both. My best to Steve and their family. Love, Cherie DeVries Maxfield

We have loved Carolyn and Christine for many years...having grown up in the same neighborhood. I was a baby sitter for them, and then years later, they were sitters for our children! We loved the Davey Family!! We also served in the Nauvoo mission the year before Chris and Steve. We are so sad to hear of Chris' passing! She was truly a wonderful woman and follower of Christ! We pray for peace and comfort for Carolyn and Steve and all their family! May you have JOY in your memories with Chris, and PEACE IN CHRIST as you grieve her loss. "Death is not turning out the light. It is extinguishing the lamp because the dawn has come." (Rabindranath Tagore) Love and prayers! Tom and Martie

Chris was my Young Women’s leader about 35 years ago. She was such an amazing example for good and I was blessed to have her guiding influence in my teenage years. I loved that we still got together from time to time over the years. It was clear how much she loved Steve and all of her children and grandchildren. Sending prayers of comfort. She will be so missed!

What an absolute shock to see Chris on HHS Rememberance page. I was just looking at pictures from Scotland she had sent me and submissions she had made to our genealogy. My heart aches at the magnitude of this loss. The family will be in my thoughts for months to come.
