

Christopher Alan Grow

June 26, 1971 ~ February 20, 2023

We did not know Christopher but know his dad very well. If he is like his father, he is a great man. His mother has prepared the way and will greet him with loving arms. May his loved ones have peace and comfort during this challenging time. R.I.P.

Dear Ray & family~ We are so very sorry to hear of the passing of your son. He was such a kind man with a beautiful smile. Death leaves a heartache no one can heal. Love leaves a memory no one can steal. May your memories bring you peace. Our love and prayers!

So hard to have someone you love pass away. Even if they're in a better place it doesn't stop us from missing them this side of the veil. We're glad he can be with his mom now. Sending love and prayers your way!

We did not know Chris personally but we knew about him and his family because of our association with Ray and Becky. We have watched from afar as family and friends rallied around during his final months and we could tell he was like his parents, full of faith and love. Lord bless this good family.
