Sara you brought us all together! Wait for us in paradise, I'll see you there! Rock on

- Cassandra Berger

Jared, We are heartbroken, the earthly world has lost a beautiful person, inside and out. I love Sara's sense of humor and her honesty. You wrote a great tribute to her every word the truth. She will be missed by all who knew her. We pray for your comfort and healing, physically and emotionally, we love you and wish we could be there at this time, please know we are there in spirit. Love Mary and Bill

- Bill and Mary Boulter

Oh my beautiful Sara!! I’m heartbroken that this world no longer has you in it! You were such an amazing friend to me our entire lives growing up. I don’t have a single childhood memory that doesn’t include you. I love you always and will miss that beautiful smile full of sarcasm and wit! I love you!

- Lori Prettyman

Sending condolences to the Garlocks. Remember all living in Helper. May Sara be at peace Mascaros

Sara, My sweet, beautiful friend, I will miss You terribly. I'll never forget the time that You came to My house and shaved My head when I started chemo. You have been such a big part of my life. My condolences to Your amazing

husband and loved ones. I love You.

Im so heartbroken to hear about the loss of Sara. She was a true angel and I feel so blessed to have worked with her at Essence salon. She was once of a kind.. her kindness and funny personality always brighten my day and everyone around her. She always saw the good in everyone and I admired her for that.
