

Sarah Jane Scott

January 16, 1973 ~ January 17, 2024

I had the honor of meeting Sarah when she took an orofacial myofunctional course in Boise, Idaho in August, 2022. It was clear from the start just how passionate and caring Sarah was. I truly enjoyed each interaction with her-she will be very missed by our myo community!

Tracy & Family, I was shocked and heartbroken to hear about Sarah's tragic accident. In 2016 I met the most incredible and caring healthcare professional ever when Sarah provided the SLP services for my sister at Hunter Hollow. What sunshine, love and hope radiated from her at our first meeting! I feel as if I have been a lifelong friend, although I haven't seen her in person since those many weeks she attentively served my sister (and indirectly, me). She always spoke lovingly of her husband, Tracy, and it was obvious that Tracy and her family came first, but the patient was always a close-second. May the Lord bless you with sweet remembrances of Sarah, and may you be sustained in continuing to live the best life you can, until you can once again be together.

I am heartbroken to hear of Sarah's tragic accident and send my deepest condolences and prayers to all her family, loved ones, colleagues and patients. My sister, Janet Reid, was cared for by Sarah at Point Meadows. Janet had Locked In Syndrome after a series of strokes. Sarah's exceptional expertise and incredible compassion made all the difference in the world for Janet as well as for myself and Janet's loved ones. Sarah was an extraordinary person in every way and I will always miss her. I am forever grateful that Janet and I had the privilege and honour of knowing Sarah.

We send our deepest condolences to Sarah’s family. We knew Sarah a long time ago when her family was living in East Brunswick, NJ. Craig taught her in Sunday school when she was 13 years old and remembered her spunk and friendliness. She will be greatly missed until we all see her again.

"Little Sarah" - that's what we called her. She is my cousin, but I moved away a long time ago, and I'm sorry that I didn't know her better as an adult. I can see that she is a beautiful person. I'm sure her soul is busy making heaven better for all of us. Much love to my family..... Robin Wilcox Northern California
