I bet your view is breathtaking, and you still have that song stuck on your head, perhaps your load is lighter cause there is no need of compass. Now you reached that peak, and your companion is the best, you'll be dearly missed, but I know you are in good hands. Hasta la vista amigo!!!

Shaun will be so very missed. He was more than our "IT" guy, he was a part of our team. Our thoughts and prayers go out to his family at this most difficult time.

Shaheen I will miss you my brother. I looked forward to the time we got spend together at work. We always smiled together , and you were always so thoughtful, generous and kind. Spoke with passion and listened intently. I wished we would have gotten the chance for more mountain adventures together. Your presence will be deeply missed and I will always think of you when I walk amongst the cascading landscapes of Utah . I hope you are at peace. We will always remember your kindred spirit and the way you accepted all challenges with a smile. Goodbye for now dear friend.
