I have many fun memories of Shar when we were preteens and teenagers. Her kindness and smile were contagious. She will be missed every day. She is now free of pain.

Ron I'm so sorry to hear about Shar's passing. Bless you and the rest of the family. Growing up with Pres, Carol and the girls was one of the highlights of my youth. The two of you meant so much to my dad. I appreciate the love you showed him. Good bless and keep you.

I am so very grateful for the privilege and honor these past 45+ years of being Shar’s friend. She has been a gift in my life from Day One, and her influence for good will be a continuous light in my life until we can hug each other tightly once again. She has promised to greet me when I graduate and join her, and I told her I would hold her to it. All of life’s challenges and uncertainties will be swallowed up in the joy of that day and countless other similar reunions. I know that to be true in my heart of hearts. Who knows…Maybe we will even be able to play the “Sleigh Ride” duet perfectly! Can’t wait for that! So much love for Shar and all of the Nelsons.

My heartfelt prayers are with you, Ron, and your family during this incredibly difficult time. May you find strength, comfort, and peace in the love and memories you shared. - Connor Stewart and the Team!
