

Christopher Michael Chandler

August 4, 1972 ~ March 16, 2023

Sending love and prayers to the Chandler family during this very difficult time. ♥■

- Randy and Nancy Smith

He was a noble soul, and will be greatly missed. I have been so impressed with the family's reaction to his illness, and all the support that has been given to him. This was a family ordeal, and the family rallied around him. His friends did not forsake him either, and all of this is a testament to his impressive, noble character. Many of us grieve with the members of his family and extend our prayers and best wishes on your behalf.

We were so saddened to hear of Chris's passing....but we know he is in the arms of His Savior, what a reunion he must be having! We will miss him! He was an amazing man! May time fly quickly until we are all reunited on that Great Day! May God bless you in the coming years with comfort and peace. Darrell and Sharon.....(Taylor Child's parents)

Sending all my love to the family. I met Chris a couple of times when we were younger and remember him being friendly and kind. I am surrounding you all with comfort and love.

Dear Ofa and Family, I was so hoping through all the fasting, prayers, and medical interventions Chris's life could be extended for a few more years. It was not to be. He was such an inspiration to so many both in his health trials and his teachings. You are his equal in the example you have set in enduring all things, caring for a large family, supporting Chris's work and mission and in hearing about your own path of finding new truth. I pray for you and your family to continue your support and comfort for each other. May the Lord bless you in your grief of the loss of your sweet husband. With love, Lark Cyr, Prescott Arizona.

- Lark Cyr (Renny's mom)

So grateful to have had the privilege of knowing Chris and Ofa and their children. They took us in as family. Remembering the Marvel movie marathons, delicious food, inspiring conversations and lots of questionable humor! It was truly an honor to sit bedside with Chris earlier this month, his kindness, love and faith will always be cherished and remembered. Our hearts mourn with Ofa and her family. Chris will never be forgotten nor will his wise council. We love you. Till we meet again brother...
