I was very sad to hear that Sister James left this life but I know she looking down on her family from heaven. My heart goes out to Roger and the rest of the family. When I think of Roger's mom, kindness and a smile is what comes to mind.

Mitch, Brandi and Bella, My prayers go out to your family during this difficult time. Saying goodbye to your parent is never easy and you're never ready no matter how prepared you think that you are. Just take comfort knowing that she is with her husband once again. Know that we love all of you and are here for you guys if you need anything.

Sharon was one of the most cheerful people I have ever met. Blessed to have known her and have her and Gordon for neighbors. Prayers and condolences to her family.

I was so sad to hear of Sharon’s passing. She was a good friend . We worked together in Primary for many years and enjoyed one another’s company. I’m sad I won’t be able to attend her services today. May you be comforted at this difficult time.
