

## Cindy Harding

*Aug. 27, 1956 ~ Dec. 16, 2022*

---

Sending my deepest sympathy to the Cindy Harding family. I was able to get to know her through work at Northland Health. She was very special to me and we shared many stories of our families. I will always cherish her kindness and so many good qualities. Sending prayers to all to get through this very difficult time. Memories will live on forever.

- Doris Bohl

---

Sending you all so much love. I will always remember how much Cindy loved us in seminary and hosting youth parties. Love you all.

- Kit Didericksen

---

To Cindy's family: I was in YW back in the 80s & Cindy had served in the district YW presidency in Bismarck ND. She was an essential part of the beginning of my testimony. She was an amazing leader and did truly love us. My prayers and love are with you in this difficult time. Sister Tracy Johnston

- Tracy Snyder Johnston

---

Cindy was so kind. She has a sweet spirit that made me want to be near her so that I could have that spirit near me. I have thought of her often since she moved away and miss the influence she had in me.

- Karen Gunsch Walter

---

We send our sincerest condolences. It's still hard to believe Cindy has passed. She is an amazing woman and wonderful friend. We were so blessed to move to Minnesota at about the same time as the Hardings and become fast friends with Doug and Cindy and their family I can list so many ways that our lives have been impacted and blessed by Cindy. We will miss her and send our love and prayers. We keep you all in the highest regard and pray for heavens comfort through the days ahead. ■■■

- Rich and Roberta Hansen
