My heart is with you all. I have been so privileged to spend time with your wonderful family, and know that the hole left by Shaun is huge. Joe Biden has said that someday the smile comes to your lips before the tear comes to your eyes. I know it’s hard to see that day, but I hope it comes quickly. Shaun was too full of life to want much mourning. My thoughts and heart is with you in this hard, hard time. ❤■

What a beautiful obituary and tribute to a life well lived.

My deepest sympathy to Brenda and all Shaun's family. I'm still in disbelief that someone as loving and giving as Shaun, is not here with us anymore. It was a great pleasure to work with Shaun in the Rental Car industry. We used to tease each other all the time about who's name was spelled correctly ■■

I started pricing SLC for Shaun in 2005 and I am so fortunate to have worked with him for years on and off at Advantage. He was one of a kind. A great leader and boss. I knew from hjs stories he lived on his terms, happily. I'll never forget the day he called and said he was on the Pirates movie set standing next to the Black Pearl. I believe he was so unique and larger than life and that's why I know this is a great loss to all who knew him. My heart goes

out to his loved ones.
