I worked with Cindy at ATEC several years ago. Cindy has a special place in my heart, and taught me so many lessons. She was a very bright light in every room. I will miss her and will cherish the moments that I spent with her.

Cindy was a amazing person. I enjoyed having her as one of my individuals i cared for 12 + years. No mater what she would always put a smile on your face, i could go into work having a crappy day and as soon as i walked in the door cindy would greet me with the hugest hug and tell me how much she loved me she sure knew how to make everyones day. We are sure gonna miss her at the group home going to work walking through the door will just never be the same but i know cin is now at peace she is a true angel. I love you cindy soo much thank you for being a best friend for so many years i will miss you soo much you'll always hold a special place in my heart ❤❤❤❤

Cindy was undoubtedly the friendliest person I've ever met. She loved everyone and was excited to meet new people. Also, she was determined not to let her numerous health problems slow her down, dragging that oxygen tank around everywhere she went. I will certainly miss her.

Cindy will be missed. My daughter Brittany lived in the group home with Cindy. Cindy always had a smile on her face and a happy greeting! Brittany called me yesterday and said how much she missed her good friend! Brittany loved pushing Cindy in her wheelchair. We are so sorry for your loss, she was a sweetheart!!

My family and I want to tell you how much we loved Cindy. She was truly an angel and such a joy to be around. Nancy you were the best mother to her and loved her so much and she loved you ! You two were two peas in a pod, always laughing, spreading happiness, caring for others and everyone’s life is better from knowing both of you. I’m sorry I can’t attend because of COVID but you are in my thoughts and prayers every day. Love you so much Nancy!

I am so sad to hear of Cindy's passing. What a joy she was to be around. I will always remember her smile and her loving heart. I always enjoyed it when she would come and visit and my kids both loved her. Sometimes the people that have the most challenges in life, bestow the biggest blessings in the lives of others, and that was the case with Cindy. Her happy heart will never be forgotten. I feel so blessed to have known her. Sending hugs and prayers to her family at this difficult time.
