

Sheila Rae Case Evans

May 28, 1946 ~ March 16, 2024

My deepest sympathy goes out to your family during this difficult time.

- Tim & Shellie Parker

I am so sorry for the loss of your beautiful wife & mother! I haven't seen her in years but I remember her "bigger than life" personality! She lived for her boys & would do anything required to give them opportunities & experiences. She was very good to my son, Adam, always including him in activities & treated him as one of her own. It doesn't surprise me that she would fight her disease right up to the very end, she loved life & her family & would not want to miss a minute with you all. My deepest sympathy & heartfelt condolences for you loss of such a wonderful person.

Ronnie and boys, I am so incredibly sorry for your loss. She was certainly one of a kind. I am sending all the love I can to you at this time.

- Aubri

My prayers for blessings of peace & fond remembrance of a spunky, loving young at heart, beautiful lady, to Ronnie, Shawn, Deon, Lance & Brandon. To think of Sheila, I always felt that she tried to consol other's & make right things that needed to be helped or changed. Sheila did that & more. Last I saw her was at Shane's funeral - when I went to hug her- she said " you can hug me, I won't break" - She had more intestinal fortitude than anyone I've ever seen. From brother Gordon I want to convey that he loved you Sheila, he loved & appreciated all you did for him thru the years - We've laughed & gambled & saw stars.. we shared an appreciation of the underdog. Go into Heaven a shoutin !! YOU MADE THE GRADE !

- Claudia Case

She was my second mom for decades. I sure miss her. She was truly one of a kind and put up with a lot from her boys and all of us friends haha. Over the past few years I've driven by the house and meant to stop. I should have and I will always regret that. I can still hear her laughing and saying "you're such a goof" to me. Loved that lady.
