Claire was such a dear friend to Gwen and I. For all of you dear children and other family members, We loved the ones of you we were blessed enough to meet and feel like we know the rest of you through our visits with her and viewing pictures of you. You were simply magnificent treasures to her. We want to convey our thoughts and prayers to all of you. God bless you. Gary and Gwen Daniels.

Dear Raelynn, our thoughts and prayers are with you and your sweet family. Love from the Hawkins family.
