We understand how you and Adam feel… But we want to remind you she’s in a VERY special and happy place! She now has both total physical and emotional happiness! Remember that! Also please remember you can totally count on us. We’re not only your next door neighbors. We’re your friends who love both of you (you and Adam) very much.

Shelley was an amazing woman. I feel so fortunate to have received Shelley’s handshake squeeze each time i was able to stop by for a quick visit. Thank you Dave for always being there for your family and for writing such a beautiful tribute for Shelley. It helped me to know her even better. Love, Trish Beck

Dave, I am truly sorry for your loss at this time. The pictures of your wife in her early days of marriage are incredible. To know you were able to help her in her time of need and your efforts, as well as the love and care you gave your wife these past years, are really an inspiration to all. I hope the best for you and your family during this time of bereavement and change. Thank you again for being you and such an example of selfless service.
