So sorry for your loss

- Laurie Johnson

I am so sorry to hear about Sherri’s passing, I have very fond memories of growing up with Katie and Brandon with Sherri always by their side during the short time they lived with us. I am sending so much love to everyone affected by her passing and will always kept those memories in my heart. With love, Jamie

Sherry, This is a little belated but you are missed, that’s for sure. Thank you for always being so friendly, kind & supportive of me and my work in the neighborhood. Geoff misses you soooo much. We will watch out for him and your fur baby…xoxo
