So sorry to see this. My thoughts are with the family. Clarence did my taxes for years and I so appreciated all his help.

Please accept my sincerest sympathy in the loss of your beloved husband, Clarence, You had so many good years together and undoubtedly many happy memories. I really miss seeing you both at the German Missionary Reunions. Those were enjoyable visits. Please give my love to your children as well, especially Jenny. She was such a cute and fun little girl that I remember so well from my second grade class at Ensign Elementary. What a comfort and blessing we have in the gospel and the knowledge that we will be together again with loved ones beyond this mortal existence. My best to all of you.

Dear Virginia and Family, Today I was thinking "II wonder if Clarence is still alive, I've not heard anything, but too many of my friends died during Covid without having services". Later today, my nephew Clark Brimhall who also did

taxes with Don sent me a message telling me of seeing Clarence's obituary. I am so sorry to be this close, but having missed his services today! You and Clarence are such dear friends and have always been there for us. What a marvelous person Clarence has been and will ever been in our hearts. I cannot say Clarence without Virginia, it's just all one word because you are such an example of oneness. How wonderful you have been together this many years. He will certainly be missed. Sending my love and condolences, Verna Nelson

Dear Udarbe family, We are saddened to learn of the passing of Clarence, but what a long and wonderful life he lived! Clarence came to our home for many years to prepare our taxes. We always said, "Clarence makes tax time painless." Consequently, it was easy to refer many of our friends and family to him for his services. It was his quiet, unhurried nature which we found so helpful and soothing. Over the years we would all share tidbits of our lives with each other, and we knew how much he loved his wife and children. We send our sincere condolences to you, Virginia, and your children and grandchildren. He has been an awesome example to all who knew him. Until we meet again, Clarence, it's "very nice, very nice" to have known you. Our love, Carolyn & Gary Barber

Clarence Udarbe was a great man! He was dependable in his friendship and church service. He was kind and calm. He always shared a smile, a warm handshake, and an interest in others. He encouraged others and celebrated their achievements. He helped make the Ensign lst Ward an inviting place to be. Condolences to his wonderful wife and family.

I can't even remember life without the Udarbe Family. From the time I was a young girl, and Sister Udarbe was my Primary teacher (the one I remember the best) -- till the times when our parents, and brother Chuck, passed away -- the Udarbe Family has always been there to support our family!!! Both Brother Clarence and Sister Virginia are just the kindest, sweetest people anyone could ever know. We were so saddened to hear of Brother Udarbe's passing, but what a wonderful life he lived! We are so grateful to have known such a good man, and look forward to his friendship in the next life. We hope that Sister Udarbe and their family will know of our love and support for them, as they go through these difficult times of loss. We Love each of you and you are in our prayers.
