

Shirley Brossard Wright

May 30, 1950 ~ October 7, 2022

Shirley was a true angel on this earth. She loved all. She had no guile. Her kindness and service rendered, spoke volumes about her relationship with the Savior. This earth has lost a light in the darkness. I will miss her. I pray all her family will be comforted and strengthened as you mourn. I have no doubt she will be checking in on each of you during difficult times as well as times of joy. Love you all, Laurel Simonsen

So very sorry for your loss. Don't think I've ever known a sweeter person than Shirley. May the Lord's blessings and comfort be on you, Wayne, and on the whole family.

To the Wright family, sincerest of condolences I just want you to know how grateful I was to your Mom in a very challenging time of my life and her kindness, as she helped me care for my family as I tried to provide for them. Being a single Mom wasn't easy but through Shirley and your loving family it helped in our journey. Love to all of you and our family is grateful for the found memories we have of Shirley..

Again sorry for your loss Wayne. We were planning to come this evening to the viewing, but had family show up from out of town. Because of other schedules we will not be able to attend the funeral as well. Would like to get together some time in the future and catch up. Jerry

Shirley and I grew up together in the avenues of Salt Lake City. We were almost born on the same day.Her's is the 30th and mine was the 31st of May. We lived in the same ward. She was a sweet friend through all the years of Ensign Elementary, Bryant Junior High and East High School. I will always remember her beautiful brown eyes and smile. I am sure she was an excellent mother and achieved much in her life becsuse of the love she received from her family. I am glad I connected with her at the last East High Reunion. May the Lord bless and keep you Shirley!

So sorry to hear of Shirley's passing! I grew up just one block north of Shirley on "L" Street. We attended the Ensign 3rd Ward on 9th Avenue and "K" Street. She was such a darling girl and very much loved by our large group of friends. I'm sure she will be greatly missed. KC Walker
