We want to let you know we are praying for your peace and comfort. Both of your parents were special to us from the time we got to know them at Prince of Peace. Your Mom and I were in choir together, even back at Messiah. Your Dad had taken a special interest in our son-basketball, guns, trombone....They were both very special people. We were happy when your Mom got to move closer to some of you. We still enjoyed her newsy Christmas letter every year and sent her ours, as well, so she could keep up with our "children" and grandkids. We still felt close, even though she was far away. We look forward to seeing her and your Dad when we eventually reconnect in Heaven. In the meantime, our prayers are with you. In love, Don, Jan, Andy and Nikki

Dear ones, I just learned of your Mother’s death today as in was trying to call her to wish her Happy Birthday and found the phone disconnected. A search on the internet revealed her untimely death earlier this year. I am grief stricken. You were all too young to remember remember my late husband, John and me in Pinedale so many years ago. Eric was born the same year as our first, Karen. We were stationed in Pinedale only 2 short years before being reassigned to Okinawa. But Pinedale and all of you remained deep in our hearts as the years went by and we stayed in touch. I was so fortunate to visit your mom in 2019 when traveling with a friend. My husband John, enjoyed playing chess with your father way back then! Blessings to all of you!
