Claudia has been a friend and neighbor for many years. We loved her smile and she was always asking about our family. She was a friend to everyone. Our thoughts and prayers are with all of your family. What's love Roger and Jana

How I love my Aunt Claudia!! So many wonderful memories we shared. She had a twinkle in her eye as she listened intently to every adventure I related growing up. Her advice was priceless her hugs were filled with ❤■ love. She lived her life enthusiastically and enjoyed every minute she had with her family. She will be greatly missed by many!! I love you Claudia until we meet again I'll find joy in the memories sweet memories ■
