

Cleone Houston Major

April 11, 1936 ~ December 21, 2024

I walked with Cleone at the gym every day. I have been missing her the past few weeks and was wondering about her. She was such a cute lady. My condolences to her family.

Cleon is my Grandfather Douglas Houston's sweet sister. My condolences to family and friends. I only wish I had more opportunity to know this side of my family better, as my grandfather Douglas passed in 1970 the year I was born there was a disconnect and life took us all in different directions. Looking forward to seeing everyone in salt lake this weekend.

To family and friends of Cleone, I send my sincere love and condolences. Cleone was a dear, life-long friend of my mother, Sara Orton Hatch Urie. Mother loved her dearly and they were part of a little group of friends from Panguitch. I was always amazed that they all stayed in touch throughout their lives!! My heart is sad at Cleone's passing but I know she is enjoying many glorious reunions on the other side. God bless!
