What a beautiful tribute to your angel Mother. She will definitely be missed. Sending hugs your way.

Your mother sounds like the consummate nurturing parent and role model. It's impossible to lose those that we love and who loved us. I'm glad you have each other and can hold each other tight and carry her in your hearts forever. So much love!

Bruce and I are so saddened about the passing of our wonderful neighbor Cleva. Living next to her for 34 years, she has made a profound impact on our lives. Her kindness, generosity, and selflessness were evident in everything she did. She was always thinking of others, and her presence brought warmth and comfort to those around her. She was so proud of all her children, grandchildren, and great-grandchildren, always speaking so highly of them. Please accept our heartfelt condolences during this difficult time. May her memory be a blessing and her spirit live on in the hearts of all who knew her.

It was my privilege to be Mrs. Stoney's doctor for many years. I will always remember her dignity, warmth and good humor.

clearly has been my very dear friend for many years. She was very thoughtful and caring and we enjoyed several years of weekly card games. I am really going to miss her but I'm happy she is able to see clearly again and is free of all her aches and pains. It's a wonderful legacy of love and caring she has left.
