Love you and miss you dad

- Aaron smock

I have been missing walking with Shonnie and him finding so many things to teach me and talk about. He always stopped and picked a flier for me. I am so thankful I got a chance to get to know him. What a gorgeous person. My heart aches for all of Shonnies family and friends. He was well liked and there is a loss here on this earth, because they just don’t make men this independent and strong in so many ways anymore.
