Biily and I are first cousins. After world war 2, I lived with her family until we moved to the US, and for a short time after. Being only months older, we became more like brother and sister, and remained so thru the years. I remember how her mother very strictly controlled her studies on the organ and piano. She took lessons twice a week, and practiced daily. The last time we where together, I picked her up and we drove to Ogden to attend my brother in law's funeral. My payers of comfort are for the family, knowing that she is now in a better place, free of pain and sorrow. Till we meet again, I love and miss you Kiekie. (name she went by as a young girl)

Sharon and I remember with fondness the many fun times we had with Billy and the Dutch Fireside Group at Bear Lake. Billy stands out as one of the most caring and loving persons we have ever known. She was always smiling and friendly - a delight be around. We will always cherish her memory and will look forward to seeing her again some day.

Billie was one of our favorites at The Old Dutch Store. I feel honored that she would come into the store even as it became more difficult. Thank you Valerie for continuing to bring her in. Billie is a very special sweet lady and we'll miss her. Sending a Dutch hug to your family!

I just found out that Billy passed and ashamed to say that I let the years go by without more contact. I am Billy's cousin. My mother and her father were brother and sister. She came to my surprise 70th birthday party. She couldn't have been a more wonderful and sweet person. I loved her and am sorry I didn't get to be at the funeral, as I heard too late. Please accept my condolences to her whole family.
