

Clynn Roberts Ford

April 30, 1926 ~ September 25, 2021

Kaye and family, We are so sorry to hear of Clynn's passing. He was an amazing man and he was always smiling. I remember trips I was on in Colter Bay and he was there and he was always so friendly. He will be missed. He has left an amazing legacy. Thoughts and prayers are with you and your family at this time.

- Kareen Dobron

Dear Aunt Kay, my cousins, their spouses, and children , I would like to convey my condolences to you at this time of Uncle Clynn’s passing. I know you must miss him greatly. I think of the grand reunion he must be having with Grandma and Grandpa, Wally, my mom, Garn, and Duane. I have fond memories of Uncle Clynn. Most of them related to some medical advice he generously gave our family at various times over the years. I know my mom was very proud of his many accomplishments. I wish I could be there to see you all. It’s been so long since I’ve seen any of you with the exception of Mary. I love you all. May you find comfort in his life lived well, your many good memories with him, and Gods great mercy that allows us to be reunited with our loved ones again. Much love - Karlynn
