

Coleen Hamilton

December 1, 1936 ~ March 3, 2023

I briefly spoke with Colleen only a month or two ago. She was a bright sunshiny divine beautiful woman who looked at me with loving eyes. I always felt loved by Coleen. Maybe everyone else felt the same. I wish I had spent more time with her near the end — reminiscing about her life and the life she shared with my mother. ❤■
