I read Steve’s obituary with sadness. I knew him in our LDS Circle in the Eielson/North Pole LDS Community and played basketball with Steve and enjoyed his wry wit and happy disposition. He truly was one of the good guys in my young life. My condolences to his wife and family. Steve, thank you for being my friend!

I am sadden to hear the news of the passing of Steve. I was able to get to know Steve through work and was grateful for the knowledge he provided to me. My kids had the opportunity to also get to know Steve and even be coached by him in basketball. He always looked out for everyone and made you feel like family. I wish I stayed in contact more after he left Summit but always wished him well when we thought of him. Steve definitely is a jack of all trades, his knowledge of everything was so impressive even if he didn't know he made you feel like he did ;) Another angel to watch over us. Love the Hathaways Alysha and kids

When I think about Mr. Crandall, I think about a very kind man. He loved his students. He made everyone feel valued and special. Heaven gained a wonderful soul, but we will miss him here on earth.

Dear Holly and Kirk: My deepest condolences. I will always be grateful for the opportunity and encouragement Steve gave this inexperienced old man ten years ago when I just showed up and wanted to help young people. He helped me find a niche where he thought I might be useful. He was right and encouraged me every step of the way. He was an extraordinarily positive example of kindness, quality work and constant encouragement. He will always

be remembered and respected.

My heart goes out to Steve's famiy. I know the loss well. gr takes time and energy, so take care of yourselves, lean on each other and after awhile the good memories will be your treasure. Even thought I did not have the pleasure of meeting him, I would have enjoyed his humor. To His mother,Joan, I send a special hug as one mother to another. The pain of lossing a child is the ultmate pain.

I am so saddened to hear of Steve's passing. My heart skipped a few beats and I shed a few tears when I learned of his passing. I am sorry that I was not able to attend his service. I always remember him as an outstanding young man in the Church in Alaska and an example to all of us. I send my love and sympathy to all of the Crandall family. You are all in my thoughts and prayers. David Hales
