

Colette Liddell

November 13, 1937 ~ December 6, 2023

We loved having her in the General William Henry Ashley Chapter, Colonial Dames Seventeenth Century. She was such a sweet lady and she will be missed. Pat Fullerton, Chaplain

She was my sister-in-law. My wife and I had our first child, and Collette instantly became another grandma to our son. She doted on him and made things for him. The perfect grandma, until..... Her first granddaughter, Talia, arrived. Then her priorities immediately and appropriately went to Talia. But we surely missed grandma Collette in our home.

Our sincere condolences to the Liddell family. Our apologies we could not make the service to pay our respects as we were out of the country. What a magnificent woman and key contributor to such a wonderful family. With love, Eric and Robin Johnson
