The year was 1985 when you came into my life. You took me in as one of your own. I remember the joy that your family had in everything you did. "Lets order Su casa!" suddenly became a party. Your laughter was the thing that would get me to smile. Crafting on your bed while we ate Su Casa is a cherished memory. Dave, Debi and Bobsie #2, my heart is broken and my prayers are with you all at this time. I have shared this with Bobsie but I want all of you to know that I know Connie is safe and with God. Last Thursday I had a dream. Connie was running and her hair was long and her face, as always so beautiful had the biggest smile beaming. Then I woke up. I love all of you. Bobsie #1

Every time we met Connie we were greeted with a warm smile and a cheery hello. We have been able to keep aware of all the families coming and going thru Peggy and Lynn. They are all a wonderful of example of love and compassion. They learned those qualities from her. We wish you all well during these times.

My entire family joins with me in expressing our love and sympathy to all of your wonderful family. Connie could lighten up a whole room just by walking into it. Her bubbly and friendly personality could make complete strangers feel like they'd known her for years. Dave, I've made you a boondoggle keyring in the colors of pink, white, and brown (the colors of the uniforms of 31 Flavors at Hillside Plaza). Our thoughts and prayers are with all of your family. The family of Kay and Ann Richards

Dear family Robinson - My heart is filled with sorrow knowing what you all must be going through. I loved Connie with all my heart, she always greeted me with big hug and a warm, wonderful smile and hello. From the first time I met her with my dear friend Tammie, she was like a second mom. She was always interested in what was going on in my life and with my family. I was blessed to have known her and to have had such a great friendship with my darling Tammie. Snippy 2, you hang in there. Know that you are loved beyond meaning! I am and will always be here for you. Your mom's beautiful spirit and never ending love, lives on through each of you. Walk with pride knowing what a wonderful mother she was and that she instilled the same love in each one of you. You will never be alone, her memory and love will keep you warm.

Dearest David , Debbie , Tamie and families, Kenny and I are so very sorry for your loss. Connie was always one of the most optimistic people I have known. She always had a smile and saw the good in every one. I have the Stuffed Christmas animals she made for my mom . Each year as I have put them on display I always admire her abilities and attention to detail. This year they will be displayed as a tribute! With sincerest Sympathy, Ken and Michelle Koontz

I feel so fortunate to have been included in your wonderful family for as long as I have, also, the last few years to have been of service to your Mom and Dad. I'll always have in my memory the twinkle in your Mom's eye and her mischievous smile. Her 'I Love You's' and always being so grateful for the people in her life .She sure missed her Dad and I'll bet that's been a joyful reunion! I hope we can deal with the void her passing has left in our life and think of her now as our Angel Wife, Mom, Grandma and friend. Sure love you guys!

Dave, Debbie, Tammie and family, I was saddened to hear that your wife/ mother has passed away. I have fond memories of Connie. She was ALWAYS kind and smiling. As a child growing up and seeing her weekly she always made you feel accepted. Her laugh was contagious. I will keep you family in my prayers. All my love, Tori
