Much love for you and your family at this time. Sorry I can’t be there in person.

- Luiza da Rosa

Sue was so important in my life. From the time she knocked on my door when I was living in West Jordan doing Missionary work we formed a deep bond and she has been an important and impactful part of my life. She was always one of the first people I called for good news or bad as well as advice. She was one of my very best friends and as a single Mom she cared fof my two children and treated us wonderful...like family. I will cherish all of our memories,talks and advice that she gave me. I loved her so much. I know she is with Dean now and is happy.

Susan, you and Dean will be missed.

I had only recently met Sue within the past year, but we quickly became friends. Sue’s warmth, sensitive, and kind heart were immediately apparent. We shared similar life challenges, and Sue’s positive outlook on life was an inspiration and lesson in grace to me. I so loved our lunches and chats. Sadly, I was out of town when Sue passed. I had been looking forward to seeing her upon my return. I will miss her dearly and send my heartfelt sympathies to her children and grandchildren especially in this holiday season.
