We hope to see you at the funeral. LaMar is having surgery at the American Fork Hospital tomorrow morning, so we'll see how his recovery goes and whether he feels well enough to drive. Our love to all of you. Margie

Trent, I am sorry to hear of the loss of your father. I didn't know him, but I know he raised a fine son.

Condolences to my cousin Karen and her extended family. I’m the oldest grand child of Herbert and Luella Norman and all of us cousins are getting up there in age. We haven’t had many opportunities to get together as we have raised our families but we have a place in our hearts for those who share our Norman Heritage. Thank you for letting us know of Corey’s passing. We will be unable to attend the funeral since we will be visiting our oldest son’s family in Texas.

Dear Karen and family, David Passed November2010 so I can imagine they are rehashing old times. We made so many fun memories during our short life together. Raising our children together and just serving together in the Ensign (3rd) ?Ward. Karen we served many years in Young Womens and David with Corey. Those are memories that fill our minds and our hearts. Thank You for giving us those cherished memories. I (KAY) living in St George. Come by when if you get this way. That goes for Windi and Cheryl. as well. You should have my email.

Karen & Family, Sorry we won't be able to attend the service in person after all. We had to take LaMar to the ER a few days ago with some complications from his surgery a week ago. I'm glad that it will be televised on Zoom. We didn't know you'd moved to Ogden Janeen said she didn't know either or she would have visited you. We thought you were still in the Avenues until we read the obituary. I still remember when we came to your home many many years ago to get some black lava rock that we used to build our fireplace in a previous home. Our oldest son Scott said he remembered going there also. Good luck with everything. Our thoughts and prayers are with you. love, Margie
