Sylvia touched so many lives in the most wonderful way. I'm grateful I got the chance to know her as a friend since we both were in Rostock, Germany. Sylvia was a most kind and cheerful person I ever met. I truly miss her!! ■■■■■

I miss you too much. My deepest sympathies to all of you. Sylvia touched my life in a way I cannot describe. She was the most caring, adorable, loving woman I've ever had the honor to know. She always seemed to " watch over" megan and I. And oh those chocolate treats she'd make us. Everyone loved Sylvia. "There is a sacredness in tears, they are not a sign of weakness, but of power. They are messengers of overwhelming grief and of unspeakable LOVE" -Washington Irving- She was an angel on earth and now an angel at peace watching over those she loved. I always told her she was my guardian angel. God has his angel. Forever. Rest Sylvia. I love you

My wife and I just found out about Sis. Wunderli's passing. She had been in our River view 7th Ward. I was her bishop. She was very cheerful and faithful in her service; a model of Christ-like service. What a wonderful lady. The world is a better place for her having been here. We will miss her.

Doris, I just found out about the passing of Sylvia and from the obituary about Walt. I am very sad to learn that Sylvia and Walt passed and that I didn't know about it. I would love to contact you and Carla. It has been many years since I have talked to any of you although I did spend some time with Walt at a Hight School Reunion, and loved his frequent email.. My email is attached to this note and I look forward to hearing from you. Jeff Summerhays jpsummerhays@cox,net

Dear Wunderli Family, Brandon and Brady remember Sylvia as their fun and enthusiastic Blazer leader. She made scouting fun for them with great activities. I (Jane) remember her the same way - always enthusiastic and full of energy for every project. I 'm amazed at the work she did promoting the Huntsman Senior Games. We've missed her in the neighborhood these past years, but will always feel that she blessed our lives in the time she lived nearby. Our best wishes to her family! We know they've been taught properly to carry on a great tradition of service to others. We're grateful to Bobby for keeping us informed about the family through the years. Much love to you all! Sincerely, Jane and Spencer Jones

Oh Dear Marci and Family, I was so sad to see the passing of your sweet mother. Before the pandemic she was the "Bright" spot in my day every Tuesday when she came to the temple. She always had the biggest smile on her face and would give me a hug. She knew that I knew Marci but I'm sure even if she didn't she would greet me the same way! What a beautiful woman. Much Love and Prayers to your sweet family. Tammy Crystal

Dear Wunderli family, upon belatedly learning of your mother’s passing our hearts and love went out to you for many reasons. You may not know how powerfully each of you have blessed our lives and those of our children. You were central to our nearly two decades living in the 13th Ward and we cherish our memories of you. We hope that by knowing how loved you and your amazing and beloved mother are, that your sorrow and longing for her is made a touch easier to bear.
