Dear Cory and Brad and kids it is with great sadness to hear of your mothers passing. As you know she is in a better place with less pain and she is in heaven with grandpa and grandma. Your mom was very kind to me and Wendy when we were married. As you my know all of the siblings had a very hard life, with many struggles. Please accept mine and Wendy's condolences.

Thank you all so much for showing me what kind families who love each other look like.
