Mrs. Adam’s was a fantastic teacher who helped us all to find joy on stage. Her flare for the arts was evident the second she walked into a room. She was so enthusiastic and had a vision for helping others to improve in many important ways. I am so sorry for your loss, she will be truly missed but her legacy lives on in the lives of each of the students she served.

Our precious Aunt Tamara brought our family joy and happiness every time we were together! She was so talented, amazing, loving and fun to be around! Her warm and delightful personality would brighten and lift everyone fortunate enough to be in her presence. At family gatherings Aunt Tamara would delight us with her singing & drama skits. My favorites were ■ “Chocolate Ice Cream Cone “, Itsy Bitsy Island with it’s, tiny Bird & his tiny little beak that went CHIRP and the melodrama “I Can’t Pay the Rent”. She was truly a star and bright light in our lives! She will be dearly missed! How grateful we are to know that she is with loved ones in heaven and singing ■ with the angels! John how grateful we are for you and the loving care you have given Tamara! You two are a beautiful and awesome couple! Our deepest sympathy for your loss. Our love, thoughts and prayers are with you during this difficult time! ❤■Mike and Cindy

I am so sad to hear of Mrs. Adam’s passing. I will remember her energy, positivity and joy. I had so much fun going with the Adams’ to NYC with my Albion friends. She always knew how to make someone feel good about themselves and you could tell she was devoted to her craft. She had a keen sense of adventure and fun that was infectious. I feel so lucky to have known her the little I did. She will be missed.

I recently heard about Mrs Adams passing away..It saddened me to hear it and I’m very sorry for your loss. She was special to me because of my son, Joshua Iley Rogers. He was a student at West Jordan HS in the late 90’s. She cast him as John Proctor in The Crucible in 1996. He played John Adams in1776. He was also in Joseph and the Amazing Technicolor Dreamcoat.(1996) I remember that performance well. It was so popular that the cast repeated the performance that same evening. She also helped him get a role in Oliver at The Hale Theatre. Josh went on to get a Theater degree from the U of U. He moved to MN because he received an internship at The Children's Theatre there. He isn’t very involved in the Theatre world these days, but he has two children who are greatly involved in Theater. So we see how her training of Josh has a legacy now. We all live in NC and survived Hurricane Helene. Please accept my heartfelt condolences.
