Oh Heather and family! We are just heart broken to hear of Cory’s passing. We use to live next door to you and just loved having your little family as our neighbors. We have always been in awe of how meticulously and beautifully Cory kept your yard. Your yard is an oasis in a struggling neighborhood. We could tell how appreciative Cory was for the things he had. He would thoroughly clean his lawn mower and other gardening tools after every use, thus demonstrating the importance of ensuring their continued functionality. We pray our Heavenly Father will bestow upon each one of you His love and strength to help you get through this incredibly difficult time in your lives. Our Heavenly Father’s love and Cory’s love for each of you is eternal and will bless you always.. -The Cochrane Clan-

Stewart & Diana, My heart breaks for you. Losing a child is so difficult. Whenever I think about family members that I have lost, I almost always see Aunt Ruth's face smiling at me and saying we are family, we will meet again someday. I lost my Mom last December, I am praying that mom is with Aunt Ruth & Aunt Rayma and they are catching up on all the time spent apart. Love cousin Debbie.

I just learned today of Cory’s passing. I am so sorry. Cory and I worked together at Beehive Broadband. He is a good soul. I enjoyed his company and friendship. We had a lot of great conversations about Heather and the kids. We discussed life, work, mountain biking, the great outdoors and I always enjoyed seeing the newest pocket knife in his collection. Cory told me the story of how he and Heather met at R.C. Willey. He knew what was important in life and that was Heather and the kids. I am deeply saddened at his passing and am so sorry for your loss.

My deepest condolences to your family. I wish we would've received word earlier to help shows our support to the family during this difficult time. I worked with Cory for several years at Beehive Broadband in the OSP Team. Cory was our go to employee for his aerial skills and expertise. I'm saddened of the news of his passing. He talked of his family often and shared the love he had for his wife and children. He often talked about helping fix their cars or being in the outdoors and showing off every pocket knife he owned. He loved his family dearly. He was a proud Dad and husband. Sending my love, thoughts and prayers to your family. -Autumn
