My condolences to you and your family.

- Richard Johnson

I met your father when you moved to Nampa and lived a couple blocks down the street. I was very impressed with the love that radiated from your father. He always had a kind smile and a strong testimony of the gospel. He was a great example of love and service. I am blessed forever by his example. I am glad he will be reunited with his eternal wife. Sorry for your loss, Phyllis

Just sending my condolences to you and your family on this tragic loss of your father. He will be with you and watch over you for eternity. Stay strong and keep pushing forward. You had mentioned he lived a good life. Well remember the good life he lived with you for his 90 years Again my heart goes out to you and your family. May God rest his soul in peace. Your friend Danette
