We cherish our memories of Craig and we pray for Diana and Robyn to have peace and strength at this difficult time. Craig was a wonderful friend and neighbor. We dearly enjoyed our times together – at dinners and family gatherings. Craig’s contagious laughter and refreshing humor lightened our moods. We always felt uplifted after connecting with him. Craig had a brilliant mind and a keen memory. We felt he that he should've competed on Jeopardy! He would have been a big winner. When he and Diana and Robyn moved from our neighborhood, we knew it was time for us to do the same. Months later we sold our home and the Emerys, under Craig’s direction, helped haul and store some of our belongings until we could get into our new residence. In addition they shared their Thanksgiving dinner with us. We will forever remember their kind gesture. We have many more nice memories of Craig and his family than we can share here. The Emerys will always be good friends – they’ve made our lives more enjoyable. Steve & Adrienne Madsen

I offer my condolences to Diana and the rest of Craig’s family. I have fond memories of Craig. I am twelve years younger than Craig. I think of the annual Christmas train celebration where our extended families would visit each other’s home (significant amounts of alcohol were consumed). Craig seemed to always have a funny story to share.

I am so sorry to hear about my cousin Craig. He was always so nice to me and always had a big smile and I loved his laugh. I hope your family feels comfort. Thinking of all of you at this difficult time. Remember all the fun times and it will carry you through. Love you all!
