RIP Terry, Won't forget our times together, going to the bees games and Austin's games! When baseball season starts, Definitely will think of you! Will be going to the bees game as my Christmas present from Steve and will think of you! You're a champ and always will be. 1935 ~ 2026

Kevin and family ….. so sorry to hear. A great man I admired and learned a lot from - about family, friends, hunting, fishing. In many ways I considered him a second father - and what a great family! Thanks Terry……. and Hansen family

Dear Shirleen, I just learned of Terry's death today from JiJi Perkins and I am so sad we missed the funeral. Word doesn't seem to get passed to the Ward we are in now and I just feel so bad. I have such fond memories of visiting teaching you and your mom and having a little visit with Terry, too, often in your garage with him sitting on a bucket working on some task or another. Love to you and your family. Becky
