I'm so sorry for your loss. Craig and I met in 1990 at the Utah Air National Guard base, we were in the 151st Comm Flt. I was a radio open and he was over the maintenance department. Craig was a kind hearted person and he taught me a lot while we were in the military. Craig gave me the greatest gift anyone could have ever given to anyone, my daughter, Anna Marie♥■ Craig will be greatly missed! You all are in my thoughts and prayers

Craig you will be greatly missed, cousin. You were so kind to share family pictures and information with family members. Your father Delbert Sterel Bennett and Lois Kilbourn Bennett will welcome you with open arms along with your two brothers. My sister, Janet remembers coming to Salt Lake City with a youth group and visiting Craig and his family. Fun times with cousins.

Craig, We will miss you. You were always in the servic by helping clean the ward house and having a smile for everyone. Your stories of the service as you were in the military were interesting to all that heard them. Go forward in your life beyond the viel.

We were very sad to hear of Craig's passing. I always looked forward to visiting with him as he had so many experiences and knowledge about a multitude of things. He will be missed and our deepest sympathy goes out to all of his family and friends who will miss him the most.

Craig you are older than me by a couple years. I'm actually closer to Scott's age. But the Bennett family name to the Murray 12th Ward is what apple pie is to America. Your dad was the best scoutmaster anybody could ever have. we loved him so much. Our time together in the Murray 12th award was The Time Of Our Lives!
