I love Terry! He is a charismatic lovable man! I have had the pleasure of working with him on many projects. Terry has always been welcoming and friendly to me. I am so sorry for your loss. It is very hard to watch someone so full of life deteriorate and pass■ For his sake, I am glad he is nolonger in pain. God bless you all and help you through this new journey in your life ■

I had the pleasure to meet him at his house and have dinner. Clayne invited me over. It will always be a cherished memory. He is certainly missed by so many. He asked me if it was weird to him and if I would want to come back. I said all I saw was alot of love in the house and I would love to come back. Now I wish I had gone back to visit. Keep those wonderful memories close, as I will.

Big hugs & prayers for all of his family. He was one of my fireside teachers back in 1975-1977. He was a great teacher even at that young age. ■

Terry will be one man that I will always remember. I've lknow him from 2001 , been able to assist him with services to his fleet of trucks and helping his awesome family. Alway came in with a smile and made everyone feel comfortable with his one liners. He would help a customer in financial concern and pay for a tire here and there. I implemented that in my years to help others. Such a hard worker and always showed love to his family. He taught and directed his family in the business to help them progress. I texted him the last year or so , and expressed my thankfulness for him and his example. He will be missed, but not forgotten. We were all blessed to know him. Chris

I really wanted to make the viewing but my Grandaughter’s birthday has to take the priority. I think so highly of Terry and his hard working kids. You are all in my thoughts.

Terry had a big heart. Therefore I’m truly thankful for all that he has done for my family & friends. I’ve been blessed to know him & his family whom I call friends. He’ll be missed. Thank you Terry for all your hide-a-hundreds! ■❤■
