I started at Sandy PD in 2006 and worked with Craig until he retired. He was a good example to me as a young cop and I respected him as a man. I am sorry for the loss and will always hold fond memories of the salty lieutenant.

I first met Craig when I was an Explorer with the Sandy Police Department about 1978. He was always someone I could turn to for advice or just to hear a good story. I have always considered him a good friend and will miss him. Best to you Marie. Always know you are in our thoughts and prayers.

I knew Craig through my employment with Sandy City at the City Prosecutor's Office and the Court. I got acquainted with the many of the police officers while they were waiting to get their cases screened. I always enjoyed talking to Craig. He was a genuinely nice person and had a great sense of humor. I extend my deepest sympathy to his family...so very sorry for your loss!
